Annual Report

Main Street opposite Town Hall looking east, Fremont Village ca. 1911.
L. to r. Cook & True Store, Post Office & Store, private residence, and 1865 Union Church

Fremont, New Hampshire
~ Incorporated June 22, 1764 ~
as Poplin

Dedication

The 1994 Annual Town Report is dedicated to **George H. Baker, Jr.** George and his wife, Barbara, and their three daughters came to Fremont in 1962. George was a member of the Planning Board from 1969 to 1975. He was a member of the Budget Committee from 1975 to 1978 and again from 1986 to 1992. George served on the Fremont Police Department in 1983 and 1984. It was in 1983 that he resigned his post as Selectman, which he had been elected to in 1977. His presence and his many contributions to the Town are missed by many.

The Town also fondly remembers Gerald Larson and dedicates this report to him as well. Jerry served as auditor for the Town in 1981.

Appreciation

A special thanks to Art Richardson for all your contributions to your family, Town, and Country.

The 1994 Appreciation is to
Artemas Richardson

Since 1982 Artemas Richardson has been on the Conservation Commission and has served as Chairman for the past several years.

Art has always been committed to making honest assessments of wetlands and activities within, and defender of water quality. He is a pleasant yet strong leader with eloquent writing and speech.

In addition, Art and his wife, Frederica, have taken on the challenges of raising their grandchildren while their son, Stanley, and daughter-in-law, Renee, serve their Country.

BRIEF HISTORY OF FREMONT NH - OLD POPLIN 1764-1994
Compiled by: Matthew E Thomas

Fremont is a proud and independent old New England town, steeped in history, amid scenic rolling countryside. Our town was, in its early years, a farming community that has developed into a lumbering and residential community.

Like Epping, Newmarket, Newfields and Brentwood, Fremont was originally a part of the huge township of Exeter. Fremont together with Brentwood was set off from Exeter in 1742. In 1757 the western half of Brentwood petitioned to become separated from Brentwood and was denied. In 1763 they again petitioned for separation from the parent town and to be joined to Chester and were denied again. Finally in 1764 Brentwood granted separation and was divided into equal halves, the westerly half being incorporated on June 22, 1764 and named "Poplin Parish." It remained Poplin until the parish (town) changed its name to Fremont on July 8, 1854 in honor of John Charles Fremont, the noted American West pathfinder and first Republican Presidential Candidate. The origin of the name Poplin is not known, and John C. Fremont was not a native, nor a visitor, to our town. During the Civil War, President Lincoln dismissed General Fremont from his military command for insubordination. In August of 1861 Fremont, without first consulting the President, issued his own Emancipation Proclamation of slaves in Missouri. Lincoln asked Fremont to modify the slavery clause so as to prevent alienating the vital border states from deciding to join the southern confederacy as a result of Fremont's proclamation. Fremont refused, Lincoln relieved him from command of the Western Department of the Union Army as a result of his insubordination. Fremont's once glorious reputation dramatically declined thereafter.

As settlers began to move inland from the coastal towns between the 1720's and 1750's, Fremont began to take shape. Long before the town was incorporated, a small settlement had been made and called "Black Rocks Village." Sawmills, gristmills, taverns and inns, once constituted the Black Rocks Village which was located in the vicinity of Sandown Road and Main Street. By 1767 the population of the town was 521. As of 1993 the town had grown to a population of 2,703, doubling its growth between 1980 and 1990.

The historic Fremont Meeting House on Main Street, was built in 1800 and was designated a national historic landmark in 1993. It is one of only two meeting houses of its style still in existence within the United States. It is a noble monument to our early townspeople having withstood the test of time during the past 194 years.

During the Revolutionary War (1775 - 1783) 96 soldiers represented the town during the struggle for independence from Great Britain. Over 75 Fremont soldiers participated in the Civil War (1861 - 1865) of which 14 paid the ultimate price. As a prime example of the determination and character of our people, not one native Fremont soldier who represented our town, ever deserted during the Civil War.

In 1874 the Worcester, Nashua & Rochester Railroad made its debut in town and continued to operate until 1972. A Railroad Covered Bridge once stood from 1874 until 1934 just south of the Fremont Little League Fields off Main Street. The present depot was built in 1897 and replaced the 1874 structure that burned in 1896.

Another important Fremont event took place in 1874 when Jonas Spaulding Jr of Townsend, Massachusetts founded what is now known as Spaulding & Frost Cooperage. Today, Spaulding & Frost is the only white pine barrel-making cooperage in the world. It once employed over 100 workers making it the largest industry in Fremont.

Between 1885 and 1900 the New England Brickyard, later R H Fellows Brickyard, operated on Martin Road. During the late 1880's this was the largest brickyard in New Hampshire producing over 5,000,000 bricks annually. The brickyard was a town within a town consisting of a store, saloon, blacksmith shop, barbershop, company-owned houses and boarding houses. Over 75 men were employed, many being french or italian. The brickyard village was destroyed by fire in 1912. Several serious fires have afflicted Fremont through the years, primarily in 1797, 1882, 1890, 1910, 1921, 1934, 1939 and 1973. The 1910 Fire destroyed much of the downtown business district.

On August 10, 1959 a B-52 Bomber Plane exploded and crashed into Spruce Swamp creating a swath of debris nearly a quarter mile in length. The eight crew members parachuted to safety. The crash made headlines throughout the northeast region of the United States.

These are just a few highlights of Fremont's proud and eventful past. Our town has wisely protected much of its small town, rural atmosphere. If we use wise judgement in growth management, we will be fulfilling our responsibility to preserve our historical landmarks and rural features that are a part of Fremont's past and present. After all, it is these people, places and events that have helped shape Fremont's special character, thus giving us all a true sense of place and belonging.

OFFICE HOURS AND PHONE NUMBERS

EMERGENCY NUMBERS

AMBULANCE	895-3384
FIRE	895-2512
POLICE	679-2225

**WARRANT FOR 1995 TOWN MEETING
FREMONT NEW HAMPSHIRE**

To the inhabitants of the Town of Fremont in the County of Rockingham is said State, qualified to vote in Town Affairs:

**FIRST SESSION FOR VOTING: TUESDAY MARCH 14, 1995 TO BE HELD AT THE FREMONT TOWN HALL 295 MAIN STREET FREMONT NEW HAMPSHIRE
TIME: 10:00 AM TO 7:00 PM**

ARTICLE 1. To choose by ballot all necessary Town Officers for the ensuing year.

ARTICLE 2. Shall we adopt polling hours in Fremont at all Town elections beginning with the 1996 Town Election under which the polls shall open not later than 8 o'clock in the morning?

ARTICLE 3. To see if the Town will vote by ballot to adopt amendments to the existing Fremont Zoning Ordinance as proposed by the Planning Board. Are you in favor of amending Article VII Section h V of the Fremont Zoning Ordinance to require that concurring vote of three members of the Board of Adjustment to reverse any action of such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance, or to effect any variation in such ordinance?

**SECOND SESSION: SATURDAY MARCH 18, 1995 TO BE HELD AT THE ELLIS SCHOOL 432 MAIN STREET FREMONT NEW HAMPSHIRE
TIME: 5:00 PM**

ARTICLE 4. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Fire Truck and to raise and appropriate the sum of twelve thousand five hundred dollars (\$12,500) to be placed in this fund. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Land Acquisition for a Fire Station Capital Reserve Fund previously established. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Police Department Renovations Capital Reserve Fund previously established. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Police Cruiser Capital Reserve Fund previously established. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of three thousand five hundred dollars (\$3,500) to be added to the Town History of Fremont Capital Reserve Fund previously established. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Highway Maintenance Building Capital Reserve Fund previously established. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of two thousand seven hundred dollars (\$2,700) to upgrade the two ball fields on Route 107 for handicap accessibility in compliance with the Americans with Disabilities Act. (The Selectmen and Budget Committee recommend this appropriation).

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) for the purpose of paving a one inch final coat of hot top on North Road for a distance of one mile, 22 feet wide, and to complete shoulder work. (The Selectmen and Budget Committee recommend this appropriation).

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) for the purpose of a property assessment update. (The Selectmen recommend this appropriation, the Budget Committee does not recommend this appropriation).

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) for the purpose of purchasing and equipping a rescue vehicle for the Fremont Rescue Squad and authorize the withdrawal of seven thousand five hundred dollars (\$7,500) and all accumulated interest from the Capital Reserve Fund created for that purpose. The balance of approximately two thousand five hundred dollars (\$2,500) to come from general taxation. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of five thousand five hundred dollars (\$5,500) for the purpose of renovating the highway shed (behind the Town Hall) to include materials and labor, heat and electricity for the year, to be used by the Fremont Rescue Squad. (The Selectmen recommend this appropriation, the Budget Committee does not recommend this appropriation).

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500) to purchase a wing plow and arms for the Highway Department and authorize the withdrawal of two thousand five hundred dollars (\$2,500) from the Capital Reserve Fund created for that purpose. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of twelve thousand five hundred dollars (\$12,500) to purchase a stainless steel sander for the Highway Department and authorize the withdrawal of five thousand six hundred dollars (\$5,600) and all accumulated interest from the Capital Reserve Fund created for that purpose. The balance of approximately six thousand nine hundred dollars (\$6,900) to come from general taxation. (The Selectmen and Budget Committee recommend this appropriation). (Majority vote required).

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of one thousand two hundred dollars (\$1,200) for the purpose of fencing 250 feet behind the fire pond on lot 3-169.58 on Whittier Drive. (The Selectmen recommend this appropriation, the Budget Committee does not recommend this appropriation).

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of eighteen thousand dollars (\$18,000) for the purpose of completing a valuation of all public utilities in Fremont. (The Selectmen and Budget Committee recommend this appropriation).

ARTICLE 19. To hear the report of the Budget Committee and take any action the Town deems necessary.

ARTICLE 20. To raise such sums of money as may be needed to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE 21. To see if the Town will vote to accept deeded title from R & S Realty Corporation for parcel 3-169.58 containing 18.91 acres on Whittier Drive for a fire pond and conservation purposes.

ARTICLE 22. To see if the Town will vote to accept deeded title from R & S Realty Corporation for approximately: 820 linear feet of James Merrill Lane; 2,535 linear feet of Nathaniel Brown Drive; and 5,478 feet of Whittier Drive. The Town to hold a maintenance bond in the amount of \$13,750 for two years.

ARTICLE 23. Pursuant to RSA Chapter 154, to see if the Town will vote to designate the Fremont Volunteer Fire Department as the official firefighting unit of the Town of Fremont, and to vote to authorize the organization of the department according to RSA 154:1 (a). The purpose of this Article is to legally confirm the past practice and operation of the Fire Department since no official documentation can be found, and to protect the Town under its liability insurance.

ARTICLE 24. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Thirteenth day of February in the Year of Our Lord Nineteen Hundred and Ninety Five.

MINUTES OF 1994 TOWN MEETING

FREMONT, NEW HAMPSHIRE

To the inhabitants of the Town of Fremont in the County of Rockingham in said state, qualified to vote in Town Affairs:

FIRST SESSION FOR VOTING--MARCH 8, 1994--FREMONT TOWN HALL--MAIN STREET, FREMONT, NH
TIME: 10:00 AM TO 7:00 PM

ARTICLE 1: To choose by ballot all necessary Town Officers for the ensuing year.

ARTICLE 2: To see if the Town will vote by ballot to adopt amendments to the existing Town Zoning Ordinance as proposed by the Planning Board. (The amendments are posted with the Warrant and are available for inspection at the Offices of the Town Clerk and Selectmen during business hours of Monday 9:30 to 11:30 AM and 2:00 to 4:00 PM, Thursday 4:00 to 7:00 PM and Friday 9:30 to 11:30 AM and 2:00 to 4:00 PM).

The Sections proposed for amendment and the text or a topical description are as follows:

On Petition of 30 Legal voters

1. (Change) Amend Article III by inserting section 6 which will ban commercial recycling facilities or solid waste composting facilities. (Not recommended by the Planning Board).
2. (Change) Amend Article V, Section 4 to require all building lots with occupied dwellings and buildings to have a state approved septic system. (Recommended by the Planning Board).
3. (Change) Amend Article V, section 8 to exempt accessory buildings from building permits. (Recommended by the Planning Board).
4. (Change) Amend Article XI by adding the definition of septage and referring to the same in section E(4) (C). (Recommended by the Planning Board).
5. (Change) Amend Article V-A, section 1 to change the reference from gravel regulation to excavation regulation. (Recommended by the Planning Board).
6. (Change) Amend Article X to become Article XII and inserting the previously adopted floodplain ordinance as Article X with revisions to wording pertinent to Fremont, NH. (Recommended by the Planning Board).

SECOND SESSION ELLIS SCHOOL MARCH 12, 1994 5:00 PM

Raymond Bernier, Moderator, called the meeting to order at 5:10 pm. He reminded all voters to register with the Supervisors of the Checklist.

Mr. Bernier read the results of the town election held on March 8, 1994.

The Board of Selectmen presented the 1993 Appreciation Award to Robert Waddell.

Mr. Bernier introduced the front table. Mr. Bernier requested a show of hand of all non-voters and explained the rules for the order of the meeting.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$18,609.00 (Eighteen thousand six hundred nine dollars) for the support of the following service organizations: (These have been supported for the last three years).

Richie McFarland Children's Center	\$2,000.00
Lamprey Health Care	\$2,700.00
A Safe Place	\$ 200.00
Rockingham Visiting Nurse Assoc.	\$3,437.00
Area Homemaker Home Health Aide	\$1,600.00
Rockingham Community Action	\$4,392.00
Seacoast Mental Health	\$ 500.00
Rockingham Meals on Wheels	\$ 180.00
Sexual Assault Support Services	\$ 700.00
Rockingham Counseling Center	\$2,500.00
Seacoast Hospice	\$ 400.00

Peter Bolduc moved the article. Michael O'Keefe seconded. Gene Cordes, selectman, summarized information regarding the various organizations and the purpose of these organizations. Discussion. Article passed unanimously by voice vote.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$500.00 (Five hundred dollars) to support the Aids Response of the Seacoast Organization (ARS). NOT RECOMMENDED BY THE BUDGET COMMITTEE.

Gene Cordes moved the article. Peter Bolduc seconded the motion. Gene Cordes, Selectman, explained that this was a new organization and that was the reason it was not included in the previous article. This organization provides financial support to victims of aids and education for prevention of aids. The selectmen were unable to obtain any financial information on this organization.

Article defeated unanimously by voice vote.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$450.00 (Four hundred fifty dollars) to support the New Hampshire Society for the Prevention of Cruelty to Animals. NOT RECOMMENDED BY THE BUDGET COMMITTEE.

Mike O'Keefe moved the article. Peter Bolduc seconded. Michael O'Keefe gave information regarding this organization.

**Hand vote - 57 - yes
56 - no**

Article passed by hand vote.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to be added to the Winter Maintenance Building Capital Reserve Fund.

Peter Bolduc moved the article. Gene Cordes seconded. Guerwood Holmes, Road Agent, explained that this is the second year for this capital reserve fund and the reason for this shed. Mr. Waddell suggested that all capital reserve funds should have some idea of when this item will be completed. Michael O'Keefe, Selectmen, explained that this should be a 3-4 year reserve fund and next year the selectmen may ask the town to build the shed. Further discussion and explanation by selectmen and road agent.

Passed unanimously by voice vote.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 (Three thousand five hundred dollars) to be added to the Sander Capital Reserve Fund.

Peter Bolduc moved the article. Gene Cordes seconded. Guerwood Holmes, Road Agent, explained the purpose of capital reserve fund.

Passed unanimously by voice vote.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$1,000.00 (One thousand dollars) to be added to the Plow Capital Reserve Fund.

Peter Bolduc moved the article. Michael O'Keefe seconded. Guerwood Holmes, Road Agent, explained the purpose of this capital reserve fund. No discussion.

Passed unanimously by voice vote.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$12,500.00 (Twelve thousand five hundred dollars) for the purpose of sealing roads.

Peter Bolduc moved the article. Michael O'Keefe seconded. Guerwood Holmes, Road Agent, explained the purpose of sealing and what roads he would like to seal this summer. Question asked why this is a warrant article and not in summer maintenance budget. Gene Cordes stated that if this money is in a warrant article, the purpose of the money is guaranteed that this money can be used for this and only this and cannot be cut to purchase other items.

Passed unanimously by voice vote.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to be added to the Cruiser Capital Reserve Fund.

Mike O'Keefe moved the article. Gene Cordes seconded. Neal Janvrin, Police Chief, explained the purpose of this capital reserve fund and that he is working on a 3-year cruiser replacement plan. No discussion.

Passed unanimously by voice vote.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 (Five thousand dollars) to be added to the Rescue Vehicle Capital Reserve Fund. NOT RECOMMENDED BY THE BUDGET COMMITTEE.

Mary Anderson moved the article. Peter Bolduc seconded. Michael O'Keefe, Selectman, explained the purpose of this capital reserve fund so that a vehicle may be purchased in the next 2 or 3 years. Discussion followed and questions were asked. Alfred Benedetto, President of Rescue, answered questions regarding the vehicle that can no longer be used. Further discussion.

Passed unanimously by voice vote.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$10,000.00 (Ten thousand dollars) for the purpose of land survey, septic design, and architectural design for an addition to the Library. **BUDGET COMMITTEE DOES NOT RECOMMEND \$7,500.00.**

Peter Bolduc moved the article. Elizabeth Stanley seconded.

Gene Cordes, Selectman, explained the reason why this article was put in the warrant. The Selectmen had a discussion with the Library Trustees regarding the library and the current and future needs of the library. Robert Waddell, Library Trustee, explained the needs of the library and the deficiencies in the present library building. Mary Stiner, Budget Committee, explained why the budget committee did not recommend \$7,500--she explained that there were no plans submitted when this money was requested and the budget committee did not feel that we should spend the money without any plans. She further explained that there is concern on whether the town or the school owns and land. Further discussion/questions on the article.

Mrs. Wall suggested an amendment - To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of completing a survey on the library property. Elizabeth Stanley seconded.

Hand vote on amendment: 102 - yes 26 - no Amendment passed.

Further discussion on the article as amended.

Jerry Bolduc made the motion to table this article. Brian Hardy seconded. **Passed by voice vote to table this article.**

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$30,000.00 (Thirty thousand dollars) for the purpose of paving the one (1) inch final coat of hot top on South Road and Sandown Road (from intersection of Chester Road to the Bridge near Sandown line).

Mike O'Keefe moved the article. Peter Bolduc seconded. Guerwood Holmes, Road Agent, explained that \$30,000 would only pave South Road from Sandown Road to Route 111A (6,800' of road). Sandown Road would not have a final coat of hot top. Guerwood further explained why the final coat of hot top is necessary from rebuilding the road, the base coat requirements, and the final coat of hot top.

Ray Bernier asked if Guerwood would like to amend the article to delete Sandown Road from the article. Guerwood amended the article to delete Sandown Road. Mary Anderson seconded the amendment. Discussion/questions followed.

Amendment passed by voice vote.

Article as amended passed by voice vote.

ARTICLE 14:

To see if the Town will vote to raise and appropriate the sum of \$14,000.00 (Fourteen thousand dollars) for the purpose of a property assessment adjustment.

Peter Bolduc moved the article. Michael O'Keefe seconded. Michael O'Keefe explained the rationale of this article and why the Selectmen proposed this article. Don Dollard, Town Assessor, explained why this assessment adjustment is needed--fairness, equity of all property. The last reassessment was completed in 1988 and since that time the values of all properties has decreased substantially. He stated that he could not see a "Derry situation" as a result of this article--we do not have the commercial or condo properties that Derry had. What would be accomplished would be a more fair and equitable assessment.

Lori Holmes made the motion to amend this article "\$14,000 for the establishment of a Capital Reserve Fund and appropriation of the same for a future property reassessment." Mary Anderson seconded.

George Marquis made the motion to table. Pat Golden seconded.

Article 14 tabled by hand vote - 77 - yes 53 - no

ARTICLE 15: To see if the Town will vote to establish a capital Reserve Fund under the provisions of RSA 35:1 for the purpose of land acquisition for a future fire station, and appropriate the sum of \$10,000.00 (Ten thousand dollars) to be placed in this fund.

Michael O'Keefe moved the article. Peter Bolduc seconded. Michael O'Keefe explained the rationale of this article.

Passed by voice vote.

ARTICLE 16: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of remodeling the basement of the Town Hall for the Police Department, and appropriate the sum of \$10,000.00 (Ten thousand dollars) to be placed in this fund.

Michael O'Keefe moved the article. Gene Cordes seconded. Neal Janvrin, Police Chief, explained the present conditions of the police station and the current and future needs of the police department.

Passed by voice vote.

ARTICLE 17: On Petition of 38 Legal Voters:

To see if the Town will vote to establish a Capital Reserve Fund under the provision of RSA 35:1 for the purpose of publishing, binding and marketing an in-depth History of Fremont, NH to be published in 1996, and to raise and appropriate the sum of \$7,500.00 (Seven thousand five hundred dollars) to be placed in this fund. All sale proceeds of said Town History to be returned to the town. NOT RECOMMENDED BY THE BUDGET COMMITTEE.

Elizabeth Stanley moved the article. Peter Bolduc seconded. Matthew Thomas explained the purpose of this article.

Matthew Thomas made the motion to amend this article to read ... and appropriate the sum of \$3,500.... Gene Cordes seconded the amendment. Discussion followed. Brian Roy stated that there is a state program for matching funds for a project such as this and have we looked into this. Matthew stated that he has looked into this and you have to belong to this organization and be a dues paying member of this organization in order to receive funds. Further, the production of this book must have something to do with the state, therefore, a History of Fremont would most likely not be funded.

Amendment passed unanimously by voice vote.

Article as amended passed by a show of hands.

ARTICLE 18: To hear the report of the Budget Committee and take any action the Town deems necessary.

Mary Anderson moved the article. Peter Bolduc seconded. Jim Allen, Chairman of the Budget Committee, explained the 1993 budget process.

Article passed by voice vote.

ARTICLE 19: To raise such sums of money as may be needed to defray Town charges for the ensuing year and make appropriations of the same.

Michael O'Keefe moved the article. Gene Cordes seconded.

Michael O'Keefe made the motion to raise and appropriate the sum of \$754,947 for the ensuing year to defray town charges. Gene Cordes seconded the motion.

George Marquis made the motion to have a line-item budget reading. Elizabeth Stanley seconded. **Motion defeated by voice vote.**

Jim Allen made the motion to amend the article to raise and appropriate the sum of \$753,185. Jim explained the difference between the Selectmen's budget and the Budget Committee amount. Elizabeth Stanley seconded. Discussion/questions followed. Darrell Turner explained the difference between the Selectmen's and Budget Committee's budget for the Fire Department and the need for \$762 that was requested.

Mr. Bernier asked if they were ready for the question. The majority in attendance voted to call for the question.

The amendment for the sum of \$753,185 passed by hand vote of 62 - yes; 55 - no.

The amount on the table for discussion is \$753,185.

Sandy Johnson amended the motion to amend the amount to \$733,173. Jane Stanley seconded the motion. She explained that she needed additional information on why line - Financial Administration increased over \$20,000. She got no additional information.

Lori Holmes made the motion to reconsider discussing the budget line-by-line. More than one person seconded. **Passed by voice vote.**

Sandy Johnson withdrew her motion in light of the fact that we are now going to discuss each line-item budget.

Questions on specific lines were answered. Lengthy discussion on the Financial Administration line and the new administrative assistant position.

Moderator asked if the body would like to call for the question. The body voted in the affirmative. Neal Janvrin, Police Chief, answered questions relating to the Police Department Budget.

Gene Cordes, Selectman, informed the audience that the Winter Maintenance Line is in trouble thus far this year due to the excessive storms since January 1.

Pat Golden made the motion to stop discussion and vote a bottom line. Elizabeth Stanley seconded. **Unanimously passed by voice vote to stop discussion.**

Gene Cordes made the motion to amend the bottom line by adding \$15,000 to bring the amount to \$768,185 for additional winter maintenance. Michael O'Keefe seconded the motion.

George Marquis amended the amendment -- \$15,000 for \$14,000 for winter maintenance and \$1,000 for the Fire Department line. Peter Bolduc seconded the amendment to the amendment.

Gene Cordes withdrew his motion.

The Moderator asked the audience if they were ready for the question. The audience voted in the affirmative.

Vote on amendment (\$768,185) passed by voice vote with \$14,000 additional for road and \$1,000 for fire)

Article as amended passed by voice vote.

ARTICLE 20: To see if the Town will vote to accept deeded title from Copson Corporation for approximately 6,100 linear feet of Copp Drive and approximately 2,300 linear feet of Andreski Drive. The Town to hold a maintenance bond in the amount of \$13,100.00 (Thirteen thousand one hundred dollars) for two years.

Michael O'Keefe moved the article. Gene Cordes seconded. Guerwood Holmes, Road Agent, explained that this road is ready and should be accepted.

Passed unanimously by voice vote.

ARTICLE 21: Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

Mary Anderson moved the article. Elizabeth Stanley seconded. Michael O'Keefe explained the purpose of this article.

Passed by voice vote.

ARTICLE 22: To see if the Town will vote to allow the Selectmen to appoint a Police Chief at the end of the current elected term (RSA 105).

Michael O'Keefe moved the article. Peter Bolduc seconded. Ray Bernier, Moderator, announced that he had received two petitions for a secret ballot vote on this article.

Gene Cordes explained the rationale submitting this article for town vote. Neal Janvrin, Police Chief, explained his rationale for this article.

Discussion on article. Roy Tewell made the motion to call for the question. Peter Bolduc seconded the motion. **Passed by voice vote.**

Ray Bernier, Moderator, asked the audience whether they would like to continue with Article 22 while the counts were being tallied. **Passed by voice vote.**

Article passed by secret ballot. 75 - yes 56 - no -- 131 voted

ARTICLE 23: Shall the town accept the provisions of RSA 31:95-b providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Mary Anderson moved the article. Peter Bolduc seconded. Discussion/question.

Guerwood Holmes, Road Agent, asked if it could be amended to read that if any money comes in from private source it goes in highway fund not the general fund. The town attorney stated that this is an RSA that cannot be amended.

Passed by voice vote.

ARTICLE 24: In accordance with RSA 80:42 and 80:80, to see if the town will vote to authorize the Selectmen indefinitely, until rescinded, to sell property acquired by Tax Collector's deed at public auction or by advertised sealed bids or to otherwise dispose of as justice may require.

Mary Anderson moved the article. Michael O'Keefe seconded. Discussion/question.

Hal Sherman made the motion to amend the article to delete "or otherwise dispose of as justice may require." Guerwood Holmes seconded. The town attorney explained this portion of the article stating that this means that the Selectmen may sell the property back to the owners for back taxes.

The amendment and seconded rescinded.

Passed by voice vote.

Results of Article 22 announced at this time. Yes - 75 No - 56

ARTICLE 25: To transact any other business that may legally come before this meeting.

Maureen Buhrman made the motion to restrict reconsideration of Articles 3-24. Peter Bolduc seconded. Passed by voice vote.

Marilyn Baker, Neal Janvrin, and Ellen O'Keefe -- Happy Birthday greetings.

Jack Mullen discussed a paper he was handed prior to the meeting starting and the signature of Matthew Thomas, Unofficial Town Historian. He made the motion that reads "that Matthew Thomas henceforth and for an indefinite term be appointed the official Town Historian." Passed by voice vote.

George Marquis made the motion that the Selectmen do not hire a full-time position as clerk this year and revisit this next year. The Moderator called this motion out of order.

Jack Mullen made the motion to adjourn at 10:50 pm. Peter Bolduc seconded. Meeting adjourned.

Respectfully submitted,

Elizabeth J. Stanley
Town Clerk

AUDITOR'S REPORT FOR YEAR ENDING 12/31/93

To the Board of Selectmen:

Enclosed please find a copy of the 1993 form MS-60 which I have submitted to the State of New Hampshire. All of the departments which were checked to complete this form were in balance. All of these departments were expecting an audit which always helps to keep records in good working order. While this audit is quite good at checking all the income I am curious about the expenses. I would like to start in 1994 and randomly audit departments that are not included on this particular form. Quite often I have found that random audits are very effective because no one knows which departments will be targeted so they all keep good accurate records. On the other hand it is a good way to pick up any bad habits that may have developed over the years, and if we find none, all the better. I was hoping that perhaps you Selectmen may have a department or two that you would like looked into whereas you sign all the checks. If you do not, that is fine also and I will randomly select.

Respectfully submitted,

Sheryl A Bolduc
Auditor

POLICE DEPARTMENT REPORT

In 1994 the Fremont Police Department responded to 1718 calls for service, and 305 animal control complaints. We did 2608 vacant house checks and 1549 business checks. We stopped 832 cars and made 44 arrests. The increase in the number of calls for service is due to many things; the increase in population in Fremont and the surrounding area, the higher volume of traffic that is going through our town, and citizen awareness. The increase in the number of animal control calls is due to the recent rabies problems and people being careful when they come in contact with a strange animal.

I have listed by category the type and number of reportable offenses that the Fremont Police Department responded to in 1994. This is not a complete list of each call for service. This list shows an increase in the type of crimes that are uncommon for the Town of Fremont, but common for the surrounding area.

Rape	3	Disorderly Conduct	3	Alarms	32
Burglary	6	Aggravated Assault	1	Juvenile	17
Theft	45	Motor Vehicle Theft	3	Assaults	10
Arson	1	Motor Vehicle Arrests	8	Vandalism	23
Fraud	7	Motor Vehicle Summons	91	Drug Offenses	1
Domestic	30	Motor Vehicle Accident	48	Open Doors	14
D W I	3	Animal Control	92	Liquor Laws	13
O H R V Complaints		7	Vacant House Checks		92
All Other except Traffic		97	Town Offenses		31
Motor Vehicle Repossession		2	Police Information		20
Towed Motor Vehicles		16	Assist Fire/Ambulance		81
Assist Other Departments		114	Stolen Property		19
Untimely Death		3	Sex Offenses		2

We have expanded our patrol, at this time we have a patrol on the road 114 hours each week, with the officers on call for the remaining 54 hours. There is always an officer available if one is needed.

Working with many of our concerned citizens, the Board of Selectmen, Fire Chief, and Road Agent, we were able to identify a number of problems, including but not limited to parking, speed, and through trucking. We have passed Town Ordinances to help us control these problems.

With the financial support of many of our businesses and private citizens, and with the cooperation of the Fremont School Board, the staff at Ellis School, and the dedication of Barbara Baker we were able to complete a D.A.R.E. (Drug Abuse Resistance Education) Program in 1994. This program is taught for 17 weeks at the Ellis School by certified D.A.R.E. instructors. We were able to again offer this program in the 1994-95 school year.

The Fremont Police Department is the sponsoring agency for Explorer Post #249. The Post consists of a number of young adults between the ages of 14 and 21 that are interested in a law enforcement career. The Post Advisors are Pat Golden, Reese Bassett, Charles Rand, James Elliott, and Daniel Whitman.

We again urge all of our residents to become more aware of your neighborhood. If you are going to be away, arrange with a neighbor to pick up your mail and newspapers. Call or come in to the police station, fill out a request for a vacant house check and we will put you on our Vacant House Check List. If you see a problem or you think something is not right, please call us by calling the Rockingham County Dispatch Center at 679-2225. If you need the Police or any other emergency service be sure that when you call, you fully identify yourself and give your complete address.

I wish to thank the residents of Fremont for your continued cooperation and support. I also wish to thank the Board of Selectmen, Town Office Staff, the members of the Fire Department, Rescue Squad, Highway Department, and each member of the Police Department: Barbara Baker, Sergeants Peter Lamb and Clifford Emery Jr, Officers Ronald Conant, James Elliott, Benjamin Kelly, Charles Rand, Roger Anderson, and ACO Daniel Whitman for their support in 1994.

Respectfully submitted,

Neal R Janvrin Chief of Police

BOARD OF SELECTMEN REPORT

This past year has been a year of change in the Selectmen's Office. Probably the single greatest change has been that as a result of the 1994 appropriation we were able to hire a much-needed full-time administrative assistant, Heidi Carlson. Heidi has a broad experience in municipal government and brings to Fremont a unique combination of skills that has served our office and the residents of Fremont well. We are grateful and delighted to have her aboard. If you have not met her please drop by and introduce yourself. Election day on March 14th would be an excellent time to do this.

Additionally we would like to thank Betty Stanley who has assisted the Selectmen's Office for many years and continues to be available on an as-needed and project basis and Alice Tarbox who has many years of municipal government experience and has worked in Fremont for the last 3 years on a part-time basis. We are most appreciative of their ability and contributions.

As a result of the administrative assistant's role, we have greatly expanded the Selectmen's Office hours. Our office is now open daily and has become more available and supportive of department heads. In 1994 we have continued to improve our financial information and have implemented accounts payable and payroll software packages. In 1995 we anticipate continued improvement in our financial information and internal operations.

In anticipation of the July 1995 implementation of the statewide "Enhanced 911" emergency service we have renumbered some streets. There are additional changes needed including the possible renaming of streets. Change is difficult but we hope those affected will be understanding and cooperative in the interest of the common good.

In budgeting for 1995 we have made some changes in compliance with the Department of Revenue Administration guidelines. These changes have most affected the Planning and Zoning, Police Department, Insurance, Parks and Recreation budgets. All monies expended are shown in the appropriation column. In the budgets listed above, the appropriation is higher than in the past but is offset by an increase in the amount of budgeted revenue. Some items, previously considered "in and out" have simply been added into the paperwork trail. For example the Police Department anticipates that \$40,000 will be spent in detail work to cover the Audley trucking. Accordingly that sum is in the PD budget and shown in the revenues. The net effect on the tax rate is zero.

Despite these changes, we anticipate that the actual increase to be raised by taxes is about \$46,000. This should be viewed against the increase value of assessments in town as a result of significant new construction in the past year. Another addition to assessed valuation will result from the proposed revaluation of public utilities. Warrant article 18 seeks to raise \$18,000 for the completion of that project, and will add an estimated \$1,650,000 in assessed valuation. Taxes generated in year one alone could be some \$33,000; thus the project has paid for itself in the first year.

As a result of the decision made on question 22 at last years Town Meeting, this Board will be making the historic decision to name Fremont's first appointed Police Chief prior to Town Meeting 1995. We are respectful of both sides of the question and hope that our decision professionalizes the position and honors the will of the townspeople.

In 1994 hydrogeological studies which had been contracted in a prior year were completed at the old dump site on Danville Road. The water quality was within acceptable limits. These results, together with a site maintenance proposal has been filed with the Department of Environmental Services as the plan for the dump closure. We anticipate their response in 1995.

We had several outstanding legal issues at years end. Most have to do with land use and the longest standing has to do with the Beaver Creek matter that garnered so much attention in 1993. We are pleased with the quality of our legal counsel and feel that all these matters are in good hands as we enter 1995.

Other goals for 1995 include the development of a municipal personnel policy, a handicapped access audit of town buildings, the establishment of the lot line boundaries of the parcel of land utilized for the Library, planning for facilities to house Fremont's current and future public safety departmental needs, and locating space for athletic fields.

Thank you for allowing us to serve you. If you wish to meet with us, we continue to meet every Thursday evening and you may schedule an appointment by contacting our office by noon on Wednesdays.

Respectfully submitted,

Peter B Bolduc Chairman
Gene Cordes
Michael O'Keefe

PARKS & RECREATION COMMISSION REPORT

In 1994 the Fremont Parks & Recreation Commission has seen an increase in the number of residents who are attending recreation programs in the Town of Fremont.

Activities offered throughout 1994 included: The Annual Breakfast with the Easter Bunny, Bike and Doll Carriage Parade in conjunction with the Memorial Day Parade, CPR Courses with Certification, TAI CHI classes were held once a week during the summer months. There was a trip to Water Country in August; 17 kids attended. In July we offered a puppet show, featuring Dan Grad's Marvelous Marionettes. Coed volleyball, as well as a Men's over-27 Basketball Night are being offered during the winter months. A Halloween Party for the children with food and games was well attended with a special visit from the "Lion King." Enrollment for the Summer Program doubled over the previous year. In Session I of 1994 we had 58 children, compared to 32; and a third session was added for the seventh and eighth graders with eight attending. Recreation also sponsored the Teen Program, which began in October and is organized by a committee of dedicated parents. The outcome has been a positive addition to the teens of Fremont. To end the busy year, the children of Fremont were delighted with a Visit from Santa Claus.

In April, many volunteers came out on a rainy and cold Saturday morning, to lay new sod on the Little League Infield. Thanks to all the workers and the individuals who donated the funds for this to become possible.

Some of the upcoming projects that the Commission is gearing up for are to make all existing facilities handicapped accessible. To make the Joe Bonis Memorial Park handicapped accessible, the Recreation Commission will seek a Warrant Article so that we can adhere to the guidelines of the Americans With Disabilities Act.

Also this year, we had the hill adjacent to the parking lot cleared and leveled, so that we can develop a playground. A special thanks to Senter Brothers of Plaistow, who donated their time and equipment to clear the land.

Another thank you goes to PSNH of Epping for the donation of two poles and to Bruce Wright of Fremont for the donation of three lights, that will be put in place in the upcoming season.

In closing, I would like to thank all Members of the Commission for their time and dedication throughout the year. Also special thanks to Friends of Fremont, Fremont Athletic Association, Ellis School, local businesses, Selectmen and the Town Office Staff for their continued support, which enabled us to have a successful year.

Respectfully submitted,

Kimberly Martineau, Chairperson
Marian Ganley, Member-At-Large
Gloria Cormick, Member-At-Large

Mary Jo Dzioba, Secretary
Ronald Simpson, Member-At-Large

PLANNING BOARD REPORT

Over the past several years, the Planning Board has distributed surveys to Fremonters to gather feedback on what kind of community Fremont should be as the 21st Century approaches.

Fremonters have consistently stated that they like "small town" Fremont and want to maintain the town's rural atmosphere. The doubling of population and housing units from 1980 to 1990 has placed increasing pressure on the volunteer Planning Board to balance landowner rights with the need to conserve open space and to protect natural resources.

In 1994 the Board dealt with a number of important zoning and land use issues which could significantly effect the quality of life in Fremont.

- * The Board opposed a plan by a contractor with the State Department of Transportation to excavate a gravel pit below the water table, a violation of our local ordinance. The State Transportation Appeals Board ruled against the Town and the case has been appealed.
- * The Board stepped up efforts to require that new and expanded non-residential property uses undergo site plan review to ensure proper planning and to protect abutters' rights. The Board applied site plan review regulations to a proposal to spread municipal sludge on a local farm. That plan has not moved forward and will not be approved unless the applicants can ensure that public health and the environment will be protected. In 1994, the Town approved a zoning change recommended by the Board that bans the spreading of sludge, also called "bio-solids," in the Aquifer Protection District.
- * Protection of ground water has been a focal point in 1994 and this year the Board will be exploring the possible development of a wellhead protection program with the cooperation of the State Department of Environmental Services.
- * In 1994 work continued on updating the town's Master Plan. In 1995 the Board will revise the Construction Materials, Transportation, and Community Goals sections of the Master Plan to complete the updating required by state law. The Board continually works on Master Plan revisions with the assistance of the Rockingham Planning Commission.
- * Last year the Board voted to substantially increase fees for gravel permit renewals, subdivisions, and site plan review. The increases are the first in memory and are designed to have users pay for planning and development oversight activities rather than taxpayers.
- * Over the last several months, Board members have attended seminars at the Lincoln Land Institute in Cambridge MA. Fremont is one of five New Hampshire communities participating. The seminars are offered at no cost to the town and provide the opportunity to learn from planning and growth management experts. Fremont was chosen in part due to rapid growth and potential threats to natural resources.
- * During the past year efforts have been made to improve services to the public with the addition of Mrs Meredith Bolduc as Board Secretary. Regular office hours are kept and improved records management has been an important goal.

In 1994 the Board welcomed Cornelius O'Brien, Main St, as a regular member of the Board replacing former Chairman Jim Allen who continues to serve as an alternate.

In 1995 the Board hopes to address the possible re-delineation of the Aquifer Protection District and to further explore the concept of cluster zoning.

The Board invites citizen participation at meetings held on the first three Wednesdays of the month in Town Hall.

Respectfully submitted,

Brian R Hardy
Chairman

FIRE DEPARTMENT REPORT

This year has shown an even larger increase in the incidents this department responded to than previous years. It is expected this increase to be even larger in the future due to the new over sensitive carbon monoxide detectors. The alarm is very sensitive and at the smallest amount of carbon monoxide they will go off. Understand, I am not complaining as they are a real LIFE SAVER. The Department has purchased a high tech detector that makes us able to search out the source of the carbon monoxide. This pertains to either hot water heater, furnace, wood stove or power vent. Some of the new homes are built to tight you can accumulate CO from a wood stove. I have noticed this especially so in houses that were built for electric heat.

Fire Station problems are still the same. We have NO room, rotted sills and the Town Insurance Inspector found several more problems. We are still looking for land. We have walked over a couple lots and discussed this with the Budget Committee. They have been helpful with recommendations.

I am still trying to get some remuneration for the Fire Fighters. This would be to cover costs only for gas, clothing, boots and related items.

We had the opportunity to get a truck from the Government surplus with only 3000 miles on it. However, upon my inspection of the vehicle at Bear Brook, I found it to be in good condition but to large to fit in the Fire Station. I was hoping to replace the 1975 Mack Tractor with 250,000 miles. (This was purchased used).

We were able to get a Federal Grant to purchase a Class A Foam Proportioner. This is a real boost in wood and structure fires.

We are still looking for some type of vehicle for the Fire Fighters to ride in when going to and from fires. It is still an OSHA rule that fire fighters have to be seat belted which we are unable to do. We have no Fire Truck with crew cab so the personal and all follow the equipment with personal vehicles. Hopefully the next new truck will have a crew cab.

As always, I wish to thank the Officers and Fire Fighters for the job they continue to do under rather difficult conditions.

Remember PERMITS are required to burn outside when ground NOT covered by snow. We still like to know about any outside burning at all times. I can be reached at 895-2561 week-days from 7:00 AM to 3:30 PM. On week-ends call dispatch in Raymond 895-4222. They will put you in touch with the duty officer or myself for a permit. Oil burner installations require a permit, both to install and to operate. If that is not done some Insurance Companies will not pay if you should have a problem.

Respectfully submitted,

Richard C. Heselton
Fire Chief

ROAD AGENT REPORT

In 1994 we rebuilt and paved one mile of Chester Road. We also finished South Road by paving a 1.25 inch finish coat of hot top over the entire two miles. We sealed Martin Road, Rogers Road, Leavitt Road, part of Shirkin Road, Riverside Drive, Old Danville Road, and Louise Lane. A sweeper was hired to remove some of the excess sand after sealing as well.

In 1995 our plan is to rebuild two miles of Sandown Road by grinding it and then paving. This will be done from Whittier Drive to the Sandown town line, for sections not already done. There is a warrant article to finish North Road by paving a one inch finish coat of hot top. Sealing is up to date and will not be needed in 1995.

Our capital reserves are working well and in 1995 we plan to purchase a new sander and a new wing plow. We will also be working on a location for a highway building, mostly for the purpose of salt storage. Hopefully in 1996 that building will become a reality.

In 1994 I issued 40 driveway permits for new houses. This must tell you that as fast as this Town is growing, the Highway Department cannot operate on a shoe string and must have good equipment especially excellent sanders to maintain safe roads during the winter months.

I need your cooperation with mailboxes, driveways, and fences. Mailboxes need to be placed so that the end of the mailbox is two feet from the edge of the pavement and approximately 38 inches from ground to the bottom of the box. This will insure that your mailbox will not be hit, and allows us to get snow plowed off the pavement.

When having your driveway paved, please contact me for approval to insure that the paving meets the town roadway in such a way that proper drainage is maintained. Fences need to be constructed out of the road right-of-way.

Please remember that we are still a part-time Highway Department. The trucks and tractors are privately owned and the plows and sanders are owned by the Town. I feel that the Department is progressing well and making good plans for the future.

In closing, I want to thank all Town Departments for their cooperation, thanks to all of the men for their dedication and hard work. A special thanks to the women behind the scenes who put up with more than anyone knows. Another special thanks to all of you who have supported me all year long.

Respectfully submitted,

Guerwood M Holmes
Road Agent

SOLID WASTE COMMITTEE REPORT

A contract for the collection of Mixed Solid Waste was awarded to Carl Hussey of Brentwood, and he started picking up the town's trash in January of 1994. Also Hussey commenced roadside collection of recycled goods in March 1994. The town purchased 1,000 plastic recycling bins which are being given out, one to a household. As of January 1995, 728 had been picked up. There are now about 1,125 households in town, so if all the distributed bins are being used, 65% of the town is taking part in recycling.

The motivation for recycling is that every ton recycled saves about \$50 in tipping fees at the Rochester Landfill. The recycling got off to a good start in the month of March, with 13% of our household trash being recycled, but has fallen off and is now stabilized at around 8%. There is a New Hampshire law (not yet enforced) which mandates that a landfill may not accept solid waste unless at least 15% of it has been removed for recycling. It is seen that Fremont is not yet close to meeting that standard.

Hussey Disposal has recently added more paper items to the list of those which are recyclable. You can now also recycle magazines, phone books, junk mail, brown bags, catalogs, manila folders, cereal and dry food boxes without the liners. There is a 30 pound per week limit of these items. If for any reason you have more than 30 pounds, call Hussey at 778-1425 and they will make arrangements for a special pick-up.

The next step in motivating people to recycle, which has already been taken by several towns in Rockingham County, is to go to the "pay-per-bag" system of trash collection. It is hoped that Fremont will not have to adopt that program, but at the present rate of participation the recycling is not paying for itself, thus defeating one of the main purposes of having recycling, which is to save money. We want to urge all Fremont residents to make full use of their recycling bins, and to call the Town Hall or the Solid Waste Committee (679-1926) if there are any problems.

Respectfully submitted,

Edward Wall

RESCUE SQUAD REPORT

1994 was another busy year for the Rescue Squad, responding to over 80 emergency calls from motor vehicle accidents to routine transports.

The Squad lost one of its members this year. Andrew Head moved out of town and we want to thank him for his many hours of devoted service to the town. Two new additional members, Michael Watkins and Robert Boda have joined the Squad and brought our membership up to 10.

Most rescue members have taken extra classes to further their level of training to EMT or EMT-I. This is the level of training which most professional ambulance attendants provide. The Town is lucky to have these people who are so devoted to the emergency care of Fremont residents.

Due to the numerous breakdowns and rusted chassis of the rescue vehicle, the Rescue Squad decided not to put more money into it and we parked it all year. This puts a lot of equipment shuffling among the squad members, which is very time consuming and impractical. We hope to replace the van this year with funds already put aside for the purchase of a 4WD utility-type vehicle.

The Squad has updated our old pagers and radios and stocked our shelves with needed supplies. We did save some money in our budget this year by not running or repairing the rescue van but at the cost of many hours of equipment shuffling for the members.

We thank the people who have donated funds to the Rescue Squad and hope to better serve Fremont residents when we put our next rescue vehicle into service in 1995.

I would like to thank the Police and Fire Departments and all others who have worked with us to provide needed emergency care. Anyone interested in joining Fremont Volunteer Rescue should contact any member listed below, or Benny Benedetto at 895-4132.

REMEMBER YOUR EMERGENCY PHONE NUMBER FOR THE RESCUE SQUAD AND RAYMOND AMBULANCE IS 895-3384. Also, because Fremont, Raymond and Deerfield have many streets and residents with the same names, please **EMPHASIZE** that you are calling from **FREMONT** due to the fact that Raymond Dispatch covers all three towns. We have had repeated problems with this matter and ask again that you emphasize that you are calling from Fremont.

Respectfully submitted,

Alfred P Benedetto Jr
President

BUILDING DEPARTMENT REPORT

There were 107 building permits issued in 1994:

48	New single family houses
6	Storage Sheds
8	Decks
8	Garages
2	Playgrounds
9	Swimming Pools
26	Sundry Renovations

Fees Collected	\$14,590.00
BOCA, Forms, Supplies and Payroll	\$10,271.00

Surplus to General Fund	\$ 4,319.00

I would like to thank all the Town employees and volunteers who have helped the building department in 1994.

The most common question in 1994 was "Do I need a building permit for a swimming pool?" The answer is YES!

Fremont is growing fast but it is still a small town with small town services.

Respectfully submitted,

Keith Stanton
Building Inspector

CONSERVATION COMMISSION REPORT

With the increase in construction in town, the Conservation Commission has been busy reviewing dredge and fill applications, making site inspections, meeting with landowners and their representatives, and developing appropriate recommendations for each site reviewed. It has been the Conservation Commission's primary role to make informed recommendations regarding the town's wetland resources.

In addition, the Commission has been actively pursuing plans to responsibly manage the town's Oak Ridge Conservation Land (approximately 100 acres along the western edge of Spruce Swamp). Through the efforts of the Commission and Selectmen, a forester has been put under contract by the town to develop and implement a forest management plan. Trees in the northern section were marked, bids were sent out and selective harvesting of some of the timber has begun. Sale of this timber will help to generate funds for the town during the upcoming year.

The Commission is currently searching for alternate members willing to work on developing plans that will help to conserve the town's wetland resources and town-owned forest lands. If you are interested in helping, please join us. We meet the first Monday of each month at 7:30 pm in the Town Hall.

Respectfully submitted,

William H Knee
Secretary

HEALTH OFFICER REPORT

We have had very few complaints of health hazards this year and we have seen the correction of other health hazards that have been pending for some time.

All in all, Fremont is a healthful community but it is up to everyone, not just the Health Officer, to keep it that way.

The biggest concern right now, healthwise, is the spread of rabies in wild animals. Protect your cats, dogs, and any other domestic animals with rabies shots. Please report any nocturnal animal seen up and around in the daytime or any wild animal acting strangely to me, the Animal Control Officer, or the Police. Do not try to catch it or let any children near it.

I certainly appreciate everyone's cooperation in helping me carry out my duties. Thank you.

Respectfully submitted,

Trudie Butler
Health Officer

STATE REPRESENTATIVE REPORT

The 1994 session of the New Hampshire Legislature began on January 5th and ran through the final session day which occurred on June 22nd.

A total of 1,014 new bills were introduced into the legislature from both the Representatives and Senators. Four hundred sixteen bills were passed and signed into law; 483 bills were found inexpedient to legislate; 104 were placed into interim study (requiring additional public hearings and work); 11 were vetoed by the Governor. No vetoes were overridden.

The large volume of bills necessitated long hours of committee hearings and debates. I have spent a total of 84 days travelling to Concord on official business, representing you my constituents. Even though the last session day took place in June, interim study committees met through the fall drafting reports and preparing legislation for the 1995 session.

As a member of the Executive Board of Rockingham County, I met with with other twenty members a total of 11 days, providing oversight on the county budget which totals over 40 million dollars.

On November 8th the citizens of Rockingham District 10 (Chester and Fremont) gave me their support for another two years as their Representative to the General Court in Concord. I thank you for this honor and will continue those conservative policies which I have practiced in my first term.

I may be reached by calling 483-8792 (which is toll free for 99% of my constituents) or you may write to me at 157 Smith Road Chester NH 03036-4030. Your input is important.

Respectfully submitted,

Jon P Beaulieu
Representative Rockingham District 10

REPORT OF ROCKINGHAM COMMUNITY ACTION

Rockingham Community Action (RCA) is a private, non-profit corporation. Our mission is to serve the multitude of needs of Rockingham County's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty and seeking to eradicate the root causes of poverty. RCA has been addressing these needs for twenty-nine years.

Greater Raymond Community Action Center is an outreach office of RCA that serves residents of Fremont and 12 other communities, and as such acts as Fremont's central resource for information regarding all available human services. RCA also offers intake, clinic and distribution sites in over half of the county's thirty-seven communities for the application and provision of various Community Action services.

Community Action provides a wide range of services that are unduplicated elsewhere in the county. Most of these services meet immediate, critical needs and all have a direct and positive impact on people's lives. The following services were provided by Community Action to eligible residents of Fremont from July 1, 1993 through June 30, 1994.

46 households received Fuel Assistance, a program that provided a financial grant of up to \$650 to income eligible households to assist with energy-related expenses.

1 household received NH Cares, Senior Energy Assistance Services or Neighbor Helping Neighbor, programs that provided financial grants of up to \$250 for fuel and utility emergencies for households not eligible for the Fuel Assistance Program.

1 home was weatherized through the Weatherization or Energy Management Services Programs, which provide high quality energy conservation materials and skilled labor to weatherize homes of income-eligible and high energy-using households in order to reduce heating costs and conserve energy.

22 children and day care providers participated in the Family Day Care Program, a program that provides training and technical assistance to day care providers and sponsorship of the USDA Child and Adult Care Food Program.

6 child care referrals were arranged through the Child Care Resource and Referral Program, a program that compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality child care by recruiting, training and assisting new child care providers.

37 women, infants and children received help through the WIC or Commodity Supplemental Food Programs, programs that offer supplemental nutritious foods, nutrition education, breastfeeding support and health care referrals to pregnant women, nursing mothers, infants and children up to the age of five (six for CSFP).

1 child was enrolled in Head Start, a comprehensive early childhood development program that provides education, health care and family support services to income eligible pre-school children and their families.

92 food allotments were provided through the Surplus Food Program, a program that distributes USDA surplus food to eligible households through mass distributions held four times each year.

1 emergency food allotment was provided through the Emergency Food Pantry, a program that provides a temporary emergency supply of non-perishable food to households facing severe economic hardship.

2 households received Crisis Services, programs that provide one-time financial grants for the payment of rent, mortgage, electricity, fuel or other basic necessities for those in emergency situations.

1 household was maintained on the Emergency Response System, a program that provides immediate twenty-four hour access to community medical responders for disabled individuals in order to ensure their safety and maintain their independence and quality of life.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we logged 199 calls or visits from Fremont residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing, or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

The services provided by our staff, together with the programs provided by our agency, have a direct and significant effect on Fremont's welfare budget. If our services were decreased due to lack of funding, the town would experience a resulting increase in requests for local welfare assistance.

Since the services we provide greatly relieve the towns we serve of the full financial burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 4.5% of the total dollar value of services we provided during the previous fiscal year, which means that we request \$4.50 for every \$100.00 we provided in direct services.

From July 1, 1993 through June 30, 1994, Community Action provided \$66,853 in services to Fremont residents. We are therefore requesting the town of Fremont to contribute 4.5% of this amount, or \$3008. The town of Fremont has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Cordially,

A handwritten signature in cursive script that reads "Amy Mueller-Campbell".

Amy Mueller-Campbell
Outreach Director
Rockingham Community Action

ANNUAL REPORT

Southeast Regional Refuse Disposal District 53-B

86 Lafayette Road, P.O. Box 830

North Hampton, NH 03862

(603) 964-7116

* Brentwood * Fremont * Hampton * Hampton Falls * Kensington * New Castle
* North Hampton * Rye * Sandown * South Hampton

This Annual Report covers the period December 1993 to December 1994 in accordance with Section 2.7 of the District Agreement, which states that the District Committee shall hold an Annual Meeting on the first Tuesday of December each year to receive reports, choose officers, and appoint members to the Operating Committee.

The District Agreement states that the District's fiscal year shall commence on April 1 and shall end on March 31 of each year. The District Budget covers this fiscal period.

At the Public Hearing and Annual Meeting on December 1, 1993, the District elected the following Officers to serve from December 1993 to December 1994:

Chairman	Robert Batchelder Hampton Falls, NH
Vice-Chairmen	Virginia Raub Hampton, NH
Secretary	Winthrop D. Comley Hampton Falls, NH
Treasurer	Joseph A. Melville Hampton Falls, NH

COMMITTEES 1993 - 1994

OPERATING COMMITTEE

Robert Batchelder, Hampton Falls, Chair
Doug Cowie, Brentwood
Paul Steeves, Kensington
Walter Hill, South Hampton

ADMINISTRATIVE

Robert Batchelder, Hampton Falls
Virginia Raub, Hampton
Joseph A. Melville, Hampton Falls
Winthrop D. Comley, Hampton Falls

RECYCLING

Virginia Raub, Hampton, Chair
Charles Pratt, Brentwood
Robert Horsburgh, Fremont
Robert Batchelder, Hampton Falls
James Rosencrantz, Kensington
Walter Hill, South Hampton
Member Towns Recycling Chairpersons

LIAISON

Walter Hill, South Hampton, Chair

During this year, Robert Batchelder had to resign as Chairman of the District and Virginia Raub was chosen to fulfill the duties of the Chairman.

FROM DECEMBER 1993 - DECEMBER 1994:

This year we held two separate Household Hazardous Waste Collections. One was held in the Spring on May 14, 1994, and the second was held in the Fall on October 1, 1994. The collections were held at two locations to better serve the population of the District towns. The Spring collection was held in Hampton and the Fall collection was held in Sandown. Both collections were very successful with a record 490 cars processed in Hampton and 103 cars processed in the Sandown collection. The total cost of both collections was \$29,874. A grant from the State of New Hampshire, based on the population of the District towns, in the amount of \$8,616, helped to offset the cost. The remainder was paid for out of District funds which had been set aside for this purpose. The per car cost for the Hampton collection came to \$48.09; and the per car cost for the Sandown collection came to \$57.43 per car. Based on the response to the collections, the Committee feels these collections are a very important function of the District and should continue. People in our Member Municipalities have become more educated about household hazardous waste and are willing to participate in the collections. The District has budgeted funds in the 1995/1996 Budget to hold collections in the Spring and/or Fall of 1995.

The Recycling Committee continued the Grant Program for education and public relations. Brentwood, Fremont, Hampton, Kensington, North Hampton, Rye, and South Hampton applied for, and received, grants which totaled \$10,543. The Recycling Committees of those towns will be producing educational materials for their communities. \$5,000.00 has been budgeted to continue this program in 1995-1996.

In addition, the District awarded a grant of \$1,000. to the town of Hampton Falls to conduct a pilot project for the collection of slick paper (North Shore Mix). The collection was conducted each Saturday during the months of October and November at the Hampton Falls brush dump. Tom Beeler of the Hampton Falls Solid Waste/Recycling Committee organized and worked very hard on this pilot project. The project demonstrated that people are willing to save this extremely heavy material in order to keep it out of the solid waste stream, and, therefore, lower the tonnage going to the landfill.

The District also held a used tire collection each Saturday in October. The Town of Hampton gave us permission to hold the collection at the Hampton landfill and a fee was charged for each tire to off-set the cost of their disposal. 284 tires were collected. We feel this collection was successful.

The Landfill portion of the District operations continues with the long-term contract with Waste Management of New Hampshire. Since the first five year term of the Contract is due to end on June 30, 1995, a Contract Negotiating Sub-Committee was appointed by the District to investigate all disposal options open to the District towns. This committee met many times during the year and developed an RFP which was mailed to six vendors in August of 1994. Responses were received from three of these vendors and analyzed by the committee. After careful analysis, the sub-committee recommended to the District Committee that the Contract with Waste Management Turnkey Landfill be continued. The new tipping fees offered by Turnkey are: \$45.00 per ton for MSW, \$55.00 per ton for bulky waste, and \$10.00 per ton for yard waste. Turnkey agreed to begin these new fees in January of 1995 instead of waiting until the beginning of the new contract year which is July, 1995. The District Committee approved the Contract Negotiating Sub Committee recommendation and an Addendum to the original Contract was signed in September. The new tipping fees will become effective January 1, 1995. Brentwood, Fremont, New Castle, North Hampton, Rye, and Sandown are currently shipping to the Turnkey Landfill Facility in Rochester with Hampton expected to begin in 1995.

The Septage Committee and Waste-to-Energy portions of the District were inactive and will continue to be so.

IN THE UPCOMING YEAR:

The Administrative portion of the District will remain a half-time operation. The present office location will be maintained, and the Administrative Assistant's hours will remain at twenty hours per week. The District continues to administrate the District Contract with Waste Management of New Hampshire Turnkey Landfill. The participating towns are billed through the District office for the tonnage they send to Turnkey.

The Recycling Committee will continue to explore all options available to reduce the tonnage being shipped to the landfill. Due to the success of slick paper recycling and used tire collection the committee will discuss the possibility of continuing these programs in other communities. The Household Hazardous Waste Collections will be planned for the Spring.

The District will continue to operate its brush/wood chipper. The chipper will be delivered and picked up at no charge to the member municipalities. The use of the chipper may be scheduled by calling the District Office or the Hampton Department of Public Works.

The District continues to have an agreement with Waste Not, Inc. for stump grinding and wastewood/wood demolition disposal. This service is located at the Town of Hampton landfill and is available to all member municipalities. It operates Monday, Wednesday and Saturday from 9:00 AM to 3:00 PM. A fee is charged for the use of the service. Further information may be obtained by calling the District Office.

In addition to the plans outlined above, the District will continue to review other possible methods of refuse disposal in order to arrive at more economical solutions.

Respectfully submitted,

Winthrop D. Comley

To the Inhabitants of the School District in the Town of Fremont, New Hampshire,
qualified to vote in District affairs:

You are hereby notified to meet at the Laurence Pettengill Hall, Ellis School, in said
District on the 11th day of March, 1995, at seven o'clock in the evening to act upon
the following subjects:

1. To hear reports of agents, auditors, and committees or officers chosen and
pass any vote relating thereto.
2. To see if the District will appropriate up to the sum of Ten Thousand Dollars
(\$10,000.00) to add to the expendable general fund trust known as the Ellis
School Building and Grounds Maintenance Fund. This appropriation is to be
funded with available surplus audited funds at the close of the 1994-95 school
year on June 30, 1995. If the surplus audited funds are less than the
requested appropriation, the trust fund appropriation will be reduced to that
amount.
(Recommended by the Fremont Board)
(Not recommended by the Budget Committee)
3. To see if the District will vote to approve the cost items included in the latest
two year collective bargaining agreement reached between the School Board
and the Fremont Education Association which calls for the following
increases in salaries and benefits:

Year

July 1, 1995 through June 30 1996 ----- \$38,249.97

July 1, 1996 through June 30, 1997 ---- \$33,382.88

(Recommended by the Fremont Board and Budget Committee)

4. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the District.

1100	Regular Programs	\$1,635,794
1200	Special Programs	520,705
1300	Vocational Programs	0
1400	Other Instructional Programs	6,364
2110	Attendance	25
2120	Guidance	21,223
2130	Health	19,202

BUDGET FORM FOR SCHOOL DISTRICTS WHICH HAVE ADOPTED
 THE PROVISIONS OF THE MUNICIPAL BUDGET LAW

For The Fiscal Year Ended June 30 19 96

BUDGET OF THE SCHOOL DISTRICT
 OF Fremont, N.H.

BUDGET COMMITTEE

DATE 14 February 19 95

[Signature]
Charles K. Ball
Pauline G. Ball
D. M. Forsberg

(Please sign in Ink)

THIS BUDGET SHALL BE POSTED WITH THE SCHOOL WARRANT
 (See RSA 197:5-a)

IMPORTANT: Please read the new RSA 32:5 applicable to all municipalities.
 It requires this budget be prepared on a "gross" basis, showing all revenues and appropriations. At least one public hearing must be held on this budget.
 When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the district clerk, and a copy sent to the Department of Revenue Administration at the address above.

Fremont
School District Meeting
Ellis School Pettingill Hall
March 5, 1994

The School District Meeting was called to order at 7:03 by School Moderator, Maureen Buhrman. The ninety registered voters in attendance were given a voting card. Mrs. Buhrman reviewed the rules of the meeting, introduced the school board, guests and read the Official School District Warrant.

Article 1: "To hear the reports of agents, auditors and committee's or officer's chosen and pass any vote relating thereto."
Lori Holmes moved the article as read and it was seconded.
There being no discussion the article was called to a vote.
ARTICLE 1 WAS PASSED BY VOICE VOTE.

Article 2: "To see if the school district will vote to create an expendable general fund trust under the provisions of RSA 198:20-c, to be known as the Ellis School Building and Grounds Maintenance Fund for the purpose of repairing and maintaining the school building and grounds above that which has been specified and/or appropriated in the school district budget. Furthermore, to name the school board as agents to expend and to raise and appropriate up to the sum of Ten Thousand Dollars (\$10,000.00) toward this purpose. This appropriation is to be funded by available surplus audited funds at the close of the 1993-94 school year on June 30, 1994. If the surplus audited funds are less than the requested appropriation, the trust fund appropriation will be reduced to that amount. (Recommended by the Fremont School Board and Budget Committee)."
Annmarie Gilligan moved the article as read and it was seconded.
Discussion followed and then the Article was called to a vote.
A voice vote was undecisive, the Moderator called for a card vote.
Results; 39 FOR / 39 AGAINST. Article 2 defeated (not a majority vote). Don Miller called for a recount. The recount Results: 41 FOR 40 AGAINST. The Moderator declared Article passed. Mr. Wines made a point of order motion - it was a recount not a new vote, 78 votes were cast the first count and 81 votes the second time. Mrs. Buhrman ruled that the counters may have miscounted the first time.
ARTICLE 2 PASSES.

Article 3: "To see if the district will vote to raise and appropriate the sum of Two Thousand Four Hundred and Ninety dollars (\$2,490.00) for the purchase of two regulation size goals and twenty (20) soccer balls to be used for the physical education program. Warrant submitted by citizen petition. (Not recommended by The Fremont School Board) (Not recommended by the Budget Committee)"
Mike Miller moved the article as read and it was seconded. Mr. Miller explained that this was already in the proposed school budget and moved that this article be tabled. Motion was made to table and it was seconded. There being no further discussion a vote was called.
ARTICLE 3 TABLED PASSED BY VOICE VOTE.

Article 4: "To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the District.

1100 Regular Programs	1,562,746
1200 Special Programs	536,705
1300 Vocational Programs	0
1400 Other Instructional Programs	9,972
2110 Attendance	25
2120 Guidance	20,768
2130 Health	19,064
2150 Speech	22,999
2210 Improvement of Instruction	16,912
2220 Educational Media	23,377
2310 School Board	18,770
2320 SAU Expense	86,266
2400 School Administration	85,235
2540 Operation of Plant	118,383
2550 Pupil Transportation	133,724
2900 Other Support Service	37,819
4000 Facilities Acquisition	20,000
5000 Debt Service	231,300
2560 Food Service	51,904
5255 Expendable Trust Fund	10,000

TOTAL APPROPRIATION \$3,005,969

(Recommended by the Fremont School Board) (\$6,830.00 not recommended by the Budget Committee)"

Barbara Munsey moved the article as read and it was seconded.

Mrs. Munsey then explained the increases in the budget. Discussion was called for. Mike Miller made a motion to amend the article's

Line 1100 from \$1,562,746 to \$1,551,304, Line 1200 from \$536,705 to \$534,528 and Line 2120 from \$20,768 to \$20,162. The Total Appropriation for Article 4 would change from \$3,005,969 to \$2,991,744. The motion was seconded. Discussion was called for.

Mike Miller explained his motion as the taking out of the step increases from the line items mentioned. Lengthy discussion followed and ended with being told legal counsel suggested they take it out. The Amended article was called to a vote. Amended Article 4 (TOTAL APPROPRIATION now being \$2,991,744) PASSES BY VOICE VOTE.

Discussion called for on Article 4 as amended. Mr. Allen made a motion to amend Article 4 from \$2,991,744 to the Budget Committees recommended amount of \$2,984,914 and was seconded. Mr. Allen explained that the Budget committee did not recommend the amount of money (\$6,830) in line 1400, for the soccer program. Discussion followed. Article 4 now amended to \$2,984,914 was called to a vote. The Moderator made it clear that a yes vote meant voting out soccer and a no vote meant keeping the soccer program. Amended Article 4 was called to a vote and DEFEATED BY VOICE VOTE.

Discussion called for on Original Article as Amended. A brief discussion followed. A motion was made to move the question and was seconded. Vote is to be on the original Article as amended to \$2,991,744.

ARTICLE 4 AS AMENDED PASSES BY VOICE VOTE.

Article 5: "To transact any other business which may legally come before this meeting."

There being no other business, the Moderator adjourned the meeting.

Meeting adjourned at 8:25.

Mary Kate Bartley
School District Clerk

Fremont
Special School District Meeting
Ellis School Pettingill Hall
October 22, 1994.

The Special School District Meeting was called to order at 7:00 p.m. by the School Moderator, Maureen Buhrman. Mrs. Buhrman introduced guests Robert Bell, Bob Barry and Ted Comestock and then the School Board members, Annmarie Gilligan, Barbara Munsey, Laurie Holmes, Sue McNulty and Mike Miller. Mrs. Buhrman went over the rules of the meeting and then read the Special School Warrant as follows:

"To see whether the voters of the Fremont School District will ratify and approve the sum of \$29,535.00, said sum which is attributable to the additional costs of the 1994-95 collective bargaining agreement between the Fremont School Board and the Fremont Education Association over the costs of 1993-94 Agreement between said parties. Ratification of the 1994-95 Agreement will require no further appropriation then has already been approved by the voters of the Fremont School District at the March 1994 Annual School District."

Annmarie Gilligan moved the motion and was seconded by Barbara Munsey.

Discussion was called for.

Mrs. Gilligan made a motion to amend the article to use the figure of \$17,507 and was seconded by Barbara Munsey.

Discussion was called for.

?Why was the amount of money being asked for changed? Mrs. Munsey explained the main reason being because of employee changes that had new teachers coming in at a lower salary range and that this did not change anything in the bargaining and negotiating of the contract.

A voice vote was called for and passed.

The Article was amended to read \$17,057.

Discussion was called for.

Mike Miller explained the highlights of the 1994-95 Teacher Contract on an overhead, it read as follows:

- * The salary base will increase by 2.5%.
- * All eligible teachers shall receive step advancement.
- * Current employed teachers who received a one-time payment of \$400 during the 1993-94 will again receive that one-time payment during the 1994-95 school year.
- * Nurses salary schedule for 1993-94 will be increased by 2.5%.
- * Insurance: The school district will pay 85% of either the single membership, two person or family membership.
- * Insurance: The school district will make a payment of \$700 to any employee who notifies the District in writing that he/she wishes to waive his/her applicable health insurance coverage.
- * Insurance: The District agrees to implement a section 125 Plan during the 1994-95 school year.
- * Committee to be established to study various Health Care (Ins) options for the 1995-96 contract year.

There being no further discussion a voice vote was called for. Article passed by voice vote.
Meeting was adjourned at 7:18.

Respectfully,

Mary Kate Bartley

School Board Report

The 94-95 school year began with our leap into the world of technology with the purchase of computers for each classroom and a computer lab in our library. The teachers are attending workshops to incorporate computers into their classrooms. The board is also participating in the Technology Committee which is developing a computer curriculum and assessing software purchases.

Last years third grade class took part in the Statewide Assessments in language arts and the results came back favorably. In mathematics the results supported our own findings that we have a weakness and the teacher workshops are concentrating in this area.

The Middle School study committee was established two years ago to investigate the educational and building needs of the Fremont School District. The demographic and facility study has been completed and the committee is presently reviewing this information. The committee will have a report at the School District meeting.

The teachers and the Fremont School District have reached a contractual agreement. The new two year contract will allow us to more accurately project our budgets.

We feel Ellis School is heading in a positive direction and with continued board, staff, and community involvement, Ellis School will continue to strive throughout the nineties.

Respectfully submitted,

Annmarie Gilligan, 

Michael Miller, 

Barbara Munsey, 

Susan McNulty, 

Lori Holmes, 

SUPERINTENDENT'S REPORT

My first year as your superintendent has been a very busy one. After three years as assistant superintendent, I had developed a good working relationship with the school boards and we rolled up our sleeves and got right down to business.

The first significant change that was made was the reorganization of the SAU office. My old position of assistant superintendent was eliminated and, instead, we hired a business manager. This was done to handle the business affairs more effectively and efficiently. Mr. Robert Berry, former business manager at UNH, was hired for that position.

During the summer I met with all the district school boards and established goals for this year. We are well on our way to accomplishing most of those goals. The school boards' goals were shared with the principals and teachers so they could correlate their goals to the school board goals. This has helped us to focus our energies and have everyone moving in the same direction.

A major curriculum goal for the district has been the development of a comprehensive math program that will include problem solving techniques, a continuum of skills, a variety of assessment strategies and staff development. Teachers from all three districts met last summer and developed math continuums and a common problem solving program. We continue to have math workshops to reach our goal and correlate our curriculum with the new state curriculum frameworks.

Another major goal this year is to more effectively organize our districts' special education programs and to analyze ways to reduce costs. All three districts have successful 3-5 year old special education inclusion programs this year. These programs have saved each district a significant amount of money and improved the quality of services to the children. We have also reduced costs by contracting specialists, such as OT and speech instead of paying them hourly as consultants. This has reduced some of these costs by as much as 50%. We will continue to look for ways to cut costs and continue to provide quality service to our special needs students.

We are presently completing the budget process and have planned for educational improvements in all three towns. When I began in the summer, I gave the SAU #14 Joint Board a Vision Statement, "To instill in the students a life-long love of learning by providing a sound educational foundation that includes mastery of traditional academic skills and exposure to a wide range of co-curricular experiences in a

stimulating, concerned environment." Through cooperation and teamwork with parents, school boards, administrators and teachers, I believe we have made much progress striving toward that vision.

Sincerely,

A handwritten signature in cursive script that reads "Robert F. Bell". The signature is written in dark ink and is positioned above the printed name.

Robert F. Bell
Superintendent of Schools

PRINCIPAL'S REPORT

For the first time in twenty-seven years Mrs. Barbara Bassett did not welcome students to Ellis School. I would like to take this opportunity to thank Mrs. Bassett for her many years of dedication to the Fremont School Community and wish her well in her retirement years. In conjunction with Mrs. Bassett's retirement I am pleased to announce that Mrs. Eloise Boss has joined our staff as a third grade teacher.

This year we have also instituted a three year old Integrated Pre-School Program under the direction of Ms. Amy McCreedy. This program will allow us to have an in-house program that meets the needs of our three year old special education students. We now have in place quality programs to meet the needs of our special education students from age three through grade eight.

One change that occurred this year will have a long range effect on the quality of education that we provide for our students. This change was the purchase of Multi-Media Computers for each classroom and the establishment of a Computer Laboratory in our Library. To help support our implementation of a comprehensive Computer Program the Fremonters For Education sponsored a fundraiser with the proceeds being committed to purchase software. At present we have a Technology Committee that is meeting on a regular basis with the objective of providing direction to our program.

This year we introduced a Pre-Algebra course to our grade eight students. This program will provide the students with the opportunity to be better prepared for high school Algebra and will allow students to take higher level Algebra courses.

In addition to the academic changes we also introduced two extra curricular programs. During the Fall the students in grades six, seven and eight had the opportunity to participate in our Interscholastic Boys' and Girls' soccer programs. Also this year we have introduced an Odyssey of the Mind Program to students at any grade level. At present we have four teams meeting weekly in preparation for competition which will be held in March.

While these changes are taking place I am pleased to announce that our students continue to perform extremely well in the academic areas. This statement is supported by the results of our California Achievement Test where our students in grades four, six and eight averaged in the seventieth percentile in measuring their total academic achievement. This means that our students tested better than seventy percent of all students who participated in this test. Our third grade students participated in the New

PRINCIPAL'S REPORT

Page 2

Hampshire Educational Improvement and Assessment Program and performed very well. The results of these tests are also being used by the staff to examine our curriculum and upgrade our programs to insure that we continue to provide a quality education for the students of Fremont.

I would be remiss if I did not take this opportunity to thank our P.T.A. and the Fremonters For Education for their continued support of the children and programs at Ellis School.

Sincerely,

A handwritten signature in cursive script that reads "Richard F. Tuohy". The signature is written in dark ink and is positioned above the printed name.

Richard F. Tuohy,
Principal

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Fremont School District
Fremont, New Hampshire

We have audited the accompanying general purpose financial statements of the Fremont School District as of and for the year ended June 30, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Fremont School District as of June 30, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Fremont School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.
